A boutique sporting experience division of Square Off Sports, Global SportX is involved in the business of creating tours focused towards sports and allied experiences. The brand is closely associated with domestic and international partners for creating never-before experiences in the field of sports for schools, corporates and individuals/groups.

The aim of school sports tour program is to introduce students to the world beyond classrooms – in an attempt to help them gain new insights into new cultures, traditions and develop an outlook that is simply global. Through this initiative, we strive to help build a better India and create a more aspiring and confident Indian thus up-skilling them to help them compete at international levels.

MANCHESTER CITY, ENGLAND

# TRAIN LIKE CHAMPIONS!

SUMMER 2018

# MANCHESTER CITY FOOTBALL ACADEMY

The City Football Academy (CFA), Manchester City's youth development and first team Grade 1 Academy and Elite training centre is situated adjacent to the Etihad Stadium and forms part of the wider Etihad Campus - a truly inspirational environment for young players to train and play. The facility is supported by high quality, innovative coaching and education facilities, as well as medical and sports science services.

## TRAIN

Train with the Champion makers of English Premier League clubs. Our host of trainers will conduct 4 extensive football training sessions at City Football Academy.

## EXPERIENCE

Get an opportunity to play at a competitive level at a world-class international football facility with a local football team of your skill level and test your mettle with the best.

## SIGHTS

Get a tour of the Etihad Stadium and Old Trafford Stadium, and visit the National Football Museum and Trafford Shopping Centre.

## HIGHLIGHTS

- Each Participant to receive 'City Football Schools' apparel kit
- Tour of Manchester City's Etihad Stadium and Manchester United's Old Trafford Stadium
- 4 training sessions and 1 Competitive match
- Individual certificates for training and match
