City tour of Colombo

A boutique sporting experience division of Square Off Sports, **Global SportX** is involved in the business of creating tours focused towards sports and allied experiences. The brand is closely associated with domestic and international partners for creating never-before experiences in the field of sports for schools, corporates and individuals/groups.

The aim of school sports tour program is to introduce students to the world beyond classrooms - in an attempt to help them gain new insights into new cultures, traditions and develop an outlook that is simply global. Through this initiative, we strive to help build a better India and create a more aspiring and confident Indian thus up-skilling them to help them compete at international levels.
